

# SUPPLY LIST

Parents,

This year you don't have to buy any school supplies because the teacher is doing it for you. That way when the teacher will have it all prepared for the first day of school. These supplies will last for the whole school year. All you need to do is to send in [\\$25 \(cash\)](#) by the First Day of School.

Supplies include:

- |              |                    |                                   |
|--------------|--------------------|-----------------------------------|
| -pencils     | -flash cards       | -craft supplies                   |
| -crayons     | -hand sanitizer    | -tape                             |
| -markers     | -tissues           | -composition books                |
| -folders     | -clorox wipes      | -labels                           |
| -rulers      | -index cards       | -miscellaneous classroom supplies |
| -pencil case | -dry erase markers |                                   |
| -glue sticks | -dry erase board   |                                   |
| -scissors    | -headphones        |                                   |
| -erasers     |                    |                                   |

The only thing you need to provide is a backpack, lunchbox, your NIV Bible, an old shirt for a smock, and a great attitude.
